OUR MISSION: Building Cultural Connections

Enjoy Explore India (EEI) offers innovative hands-on education and enrichment programs focused on sharing India's culture and traditions. The workshops offer youth and adults the opportunity to share ideas, break barriers, find common ground and, most of all, to create lasting friendships based on understanding, respect, and an appreciation for the diversity in our society.

EEI is a small company with big ideas! We are always looking to present novel worldviews that generate discussion and build cultural connections.
